**Garden clean-up at the old  
Rose City Park School**

Still a favorite place to play for kids of all ages, and still in the middle of our neighborhood, help us trim overgrown bushes for visibility and generally clean-up. Help keep this special area safe and appealing all summer long.

Bring garden tools:  
clippers, loppers, rakes, wheel barrows  
gas powered mowers or weed-whackers.

Questions? Please Contact Marjorie Anderson (503) 281-6443

If you see graffiti or vandalism on the school grounds, please report it to PPS at (503) 916-3303 so they can repair it. Thank You!
